

**Prequalification of Contractors
For the Construction of
Al-Bireh Waste Water Treatment Plant**

The Municipality of Al Bireh invites Contractors for the Prequalification Stage to execute the above mentioned Project.

Applicants for pre-qualification are invited from consortiums of international Contractors (leading partner) who should have solid experience in electro-mechanical works in association with local Contractors (Palestinian / Jordanian) to perform the civil works. Local Contractors participating shall be registered at the Palestinian Contractors Union of West Bank with first grade qualification in water, sewerage and buildings.

The project will be financed by the German Government (BMZ and KfW).

Prequalification documents could be obtained immediately by person or by mail to the following addresses:

Al-Bireh Municipality
P.O. Box 3506 Al-Bireh
Palestine

or

Dr. Dahlem Consulting Engineers INGÉWA • VBI • VUBI
Bonslepen 7
45136 Essen
Germany

Last day to submit prequalification application is 12th September 1996. The pre-qualification documents shall be submitted in two copies, one to the Municipality of Al-Bireh and one to Kreditanstalt für Wiederaufbau (KfW), Frankfurt.

Al-Bireh Municipality, Palestine
