## Letters

Dear Editor:

I must tell you that I'm a great fan of your magazine and a devout reader. I am, and this comes from my heart, an absolute defender of the Palestinian people. I'm currently a graduate student at the University of California-Berkeley. My field is international relations specializing in the Middle East. I undertook to write an essay on terrorism which I'm sending to you, to negate the mythological perspective which the American media presents. I would be most honored if you would be so kind as to publish this humble attempt to present a perspective that is closer to reality.

Thank you,  
Raafat Georgy

We will print Raafat Georgy's article in our next issue
