Conclusion

A majority of Americans residing in Lebanon (68.0 per cent) do not believe that Arab states and Palestine Resistance Movements are going to become communist. Also, although we do not have sufficient data on this, it seems that as far as the Americans in Lebanon are concerned even if Arab states became communist this would not weigh against them and in favor of Israel.

As far as American public opinion is concerned, it was found that Arab states being communist or heading towards communism would weigh as a factor against the Arabs and in favor of Israel.

We were interested to learn whether the Americans who
