

the same time, the *Journal of Management Studies* (JMS) has been the only journal to have published a special issue devoted to the study of organizational trust. In fact, the special issue was the only one published in the journal's history to date. The special issue was published in the March 2000 issue of the journal, and was edited by the author and a colleague, Jeffrey Pfeffer (1999).

The special issue was titled "Organizational Trust: A Commentary" and was published in the journal's 33rd volume, issue 3. The special issue was published in the journal's 33rd volume, issue 3. The special issue was published in the journal's 33rd volume, issue 3. The special issue was published in the journal's 33rd volume, issue 3.
