

Chart II Relations of Politico-ideological Subordination/Domination of Arab and Jewish Productive Labor Within and Beyond the Production Process in the Context of Zionist Settler-colonialism in Palestine

Structural Class Determination in the Social Formation at Large							
	In the Social Division of Labor			<u>Ideological</u>		<u>Political</u>	
	Proletariat Class-location by Poulantzas' Criteria			<u>Subordi-</u>	<u>Domi-</u>	<u>Subordi-</u>	<u>Domi-</u>
	Economic	Ideological	Political	nation	nation	nation	nation
	Productive Manual Non-supervisory						
Western Jews	+	+	+	-	+	-	+
Sabra Jews	+	+	+	-	+	-	+
Oriental Jews	+	+	+	+	-	-	+
Citizen Palestinians	+	+	+	+	-	+	-
Non-citizen Palestinians	+	+	+	+	-	+	-

Does the differential relations of Israeli-Jews versus Palestinian-Arabs to the Zionist settler-colonial superstructure, hence, the relations of political-ideological subordination/domination that mark the place of each national/ethnic group in the social formation predominate the economic/structural determination of their class-location within the social division of labor?
